## Global Aesthetics Experts – The Pinnacle of Facial Aesthetics Training

Join the world's top experts in Facial Aesthetics, from minimally invasive to surgical treatments at the Global Aesthetics Experts event, taking place at the renowned Nicholson Center in Orlando, Florida, from November 23-25, 2025. This exclusive event will bring together leading professionals from the fields of dentistry, medicine, and biomedical sciences to share cutting-edge techniques, innovative treatments, and the latest advancements in safe procedures for facial harmonization.

Experience world-class lectures and a cadaver lab, all led by an elite team of internationally recognized specialists. Don't miss this opportunity to elevate your expertise and be part of the future of aesthetic medicine!
